17th Annual Scientific Meeting:

The 17th Annual Scientific Meeting was held March 13th and 14th at the Hotel Realm Canberra.

With over 70 attendees and speakers from the TGA, NHMRC, CSIRO and a number of interesting and informative workshops the meeting was a huge success.

Presentations from most of the speakers will be available soon.

AHRDMA would like to thank the organising committee, sponsors and all the speakers

Welcome

Welcome to the Australasian Health and Research Data Manager's Association (AHRDMA) website. AHRDMA is an association of health researchers, research nurses, study coordinators and data managers representing a diverse range of professional backgrounds, working across the spectrum of medical research disciplines in Australia, New Zealand and Asia.

AHRDMA aims to foster and promote health research and data management by providing a number of professional development opportunities and educational activities and resource materials. These include an Annual Scientific Meeting, Professional Development Grants and Scholarships valued at over \$6,000 per year, Travel Grants, Newsletter, Educational Resource Information, Special Interest Groups, active Regional Groups in each state and strong links with other local and international professional organizations.

If you would like to find out more about AHRDMA, contact a member of the Executive Committee or the Regional Convenor in your state.
